

Steps to Build a Team

1. Find Corporate Competition Team Mates:

Within your corporation
In companies you work with
In companies you work for
Friends' companies
Other staff members
Neighbors

2. If Planning a School Team, Do #1, Then:

Contact the Dean of your department
Contact a favorite Professor
Introduce Cantastic
Note that Cantastic supports curriculum in Math, Science, Art, and Design
It also addresses problem solving and importance of community involvement

3. Plan Your Food Recruitment by:

Purchasing directly from a food wholesaler
Purchasing from a local retailer, and deliver it to the site
Promotion of a single brand, with distributor (Campbell's Soup, for example)
Raise cans by a food drive

4. Choose a Team Captain

Will be the main contact between the Arts Council and the Team
Chief Liaison Officer for teammates and other companies
